

GRANT REVIEW SERVICES

Are you submitting the BEST POSSIBLE grant? If not, you may be missing out on thousands of dollars. Having an outside grant expert review your grant can be the difference in getting or not getting a grant. That's why we offer grant review services: to set you up for success in grant writing.

TYPES OF REVIEW SERVICES

We offer two levels of review for *grant proposals*, *grant applications*, *letters of inquiry*, and *letters of intent* for foundations or corporations offering nonprofit grants.

1. **BASIC REVIEW:** We'll let you know if you're on the right path and have all your bases covered!

We evaluate the logical flow of the presentation of your proposed idea, making sure you've adequately addressed these key areas:

- ✓ Mission statement and background
- ✓ Need/problem being addressed
- ✓ Solution details (i.e. program or project)
- ✓ Goals, timeline, and key staff
- ✓ Impact
- ✓ Sustainability

What you'll get:

- We'll check your numbers to make sure you have an **accurate budget** that clearly represents your proposal. Plus, we'll offer suggestions for improvements to strengthen your budget.
- You'll receive a **Recommendations Report** containing suggestions to make your entire proposal stronger and more competitive, as well as feedback on the sections that you've done well!
- You'll get to email our grant expert one set of follow-up questions after you receive your Report.

Report Delivery: In 5 – 7 business days after you upload your grant document, you'll receive a digital copy of your Report from one of our grant experts.

Your Investment: \$240 per review

2. **IN-DEPTH REVIEW**: You'll receive all the benefits of the Basic Review **PLUS** a **1-hour consultation** with one of our grant experts, where we will review:

- The funder's profile.
- The alignment between your mission and the funder's geographic and philanthropic goals.
- A verification that the funder's instructions and guidelines are met.
- Your specific questions about your proposal.

Report Delivery: In 7 – 10 business days after you upload your grant document, you'll receive a digital copy of your Report. You'll have a chance to look it over and get your questions ready before we hop on the phone to talk through it.

Cost: \$480 per review
