

SAMPLE IMPACT GOALS

In 2023, we will double the number of animals we save.

This year, we'll provide 500 more emergency food boxes to neighbors in need.

This year, we'll establish a new reading program so we can reach 50 new people in our community.

Open 3 homes for children who have behavioral issues such as ADHD.

Double the number of churches our ministry serves.

Serve 1 million meals to people in our area who are food insecure.

We will serve 25% more children who have disabilities this year through our existing programs.

Reduce the neonatal mortality rate at the University Hospital of the West Indies to 7.5/1,000 live births.

90% of our youth will not have interaction with the juvenile justice system following program completion.

75% of all students will reach their IEP (Individualized Education Program) goals by the end of the school year.

We'll eliminate our waiting list of adults wanting to learn to read.

We'll provide 10% more veterans with service dogs this year.

We'll provide 50% more mental health services this year through 1-on-1 counseling.

Increase the number of mentors and advocates for children in the court system by 25%.

We'll help our students increase their standardized test scores by 10%.

We'll reach 50,000 new people in our area with our message of protecting wildlife and the environment.

We'll serve 10,000 more meals to seniors through our Meals on Wheels program.

Serve 25 more families through our Home Repair program this year.

Help 100 minority women start their own business.

We'll provide medical and dental services to 100 new people in our community.

Serve 10% more families with a loved one needing hospice care.

Provide riding lessons to 25 new children who have special needs through our equine assisted therapy program.

Continue to provide excellent care for the dozens of farm animals in our sanctuary while reaching 5,000 new people in our community with our message of humane treatment of animals.
